

Poster Tales: Israel at 65

Don't miss this special exhibit
Tuesday, April 16 - Sunday, April 21

Poster Tales is a series of Israeli-made posters that originated with the founding of the Jewish state, starting in 1947 (apart from 1957). Each year, Israeli artists submit their posters and designs to be selected as Israel's Independence Day image.

Each poster, with its vivid imagery, symbols and themes, encapsulates a time that tells the progression of Israel through the decades.

All rights are reserved to the Israeli Ministry of Public Diplomacy and Diaspora affairs office.
